§ 23-38.53:21. Brown v. Board of Education Scholarship Program created; purpose; State Council of Higher Education to administer.

There is hereby created, from such funds as may be appropriated or otherwise made available for this purpose, the Brown v. Board of Education Scholarship Program, hereinafter referred to as the Program. The Program shall be established for the purpose of assisting students who were enrolled in the public schools of Virginia between 1954 and 1964, in jurisdictions in which such public schools were closed to avoid desegregation. The State Council of Higher Education shall administer the Program in accordance with the provisions of this chapter and as may be prescribed by the Brown v. Board of Education Scholarship Awards Committee.

§ 23-38.53:22. Criteria for awarding scholarships; awards made by the Brown v. Board of Education Scholarship Committee; eligible students.

A. Within the funds allocated or made available for such purposes, scholarships shall be awarded annually and may be renewed upon evidence of satisfactory academic achievement. Awards may be granted for part-time or full-time attendance for (i) no more than one year of study for students enrolled in adult education programs and General Education Development preparation programs, (ii) no more than two years of study for students enrolled in comprehensive community college programs, (iii) no more than four years of study for students enrolled in four-year undergraduate degree programs, and (iv) no more than five years of study for students enrolled in recognized five-year undergraduate programs.

B. No student pursuing a course of religious training or theological education or a student enrolled in any institution whose primary purpose is to provide religious training or theological education shall be eligible to receive such awards.

C. Only students who are domiciled residents of Virginia as defined by § 23-7.4 shall be eligible to receive such awards.

D. Scholarships shall be awarded to eligible students by the Brown v. Board of Education Scholarship Awards Committee.

E. For the purpose of this chapter, "eligible student" means a person who resided in a jurisdiction in Virginia between 1954 and 1964 in which the public schools were closed to avoid desegregation and who (i) was unable during such years to (a) begin, continue, or complete his education in the public schools of the Commonwealth, (b) attend a private academy or foundation, whether in state or out of state, established to circumvent desegregation, or (c) pursue postsecondary education opportunities or training because of the inability to obtain a high school diploma; (ii) was required to relocate within or outside of the Commonwealth to begin, continue, or complete his K-12 education during such years because of public school closings to avoid desegregation; or (iii), although not denied education because of school closings, has identifiable economic, psychosocial, or cultural risk factors that research indicates may negatively affect academic achievement or the ability to perform basic life skills, or may hinder an individual in reaching his life goals.

§ 23-38.53:23. Amount of scholarships; use of scholarships; terms and conditions.

A. No scholarship awarded under this Program shall exceed the cost per year of the specific program in which the student is enrolled. The amounts of scholarships awarded under this Program

59 shall be in accordance with the appropriation act.

60 B. The full amount of each scholarship awarded to each recipient shall be used only for payment of  
61 charges for tuition.

62 C. This chapter shall not be construed as creating any legally enforceable right or entitlement on the  
63 part of any person or any right or entitlement in participation in the program. Scholarships shall be  
64 awarded to the extent funds are made available or as directed by the appropriation act.

65 § 23-38.53:24. There is hereby created in the state treasury a special nonreverting fund to be known  
66 as the Brown v. Board of Education Scholarship Program Fund, hereafter referred to as "the Fund."  
67 The Fund shall be established on the books of the Comptroller and shall consist of any appropriations,  
68 gifts, donations, grants, bequests, or other funds from any source as may be received by the Brown v.  
69 Board of Education Scholarship Program or the Brown v. Board of Education Scholarship Awards  
70 Committee on behalf of the Program. Moneys shall be paid into the state treasury and credited to the  
71 Fund. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. Any  
72 moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall not revert  
73 to the general fund but shall remain in the Fund. Moneys in the Fund shall be used solely for the  
74 purposes of awarding to qualified students, pursuant to §§ 23-38.53:21 and 23-38.53:22. Expenditures  
75 and disbursements from the Fund shall be made by the State Treasurer on warrants issued by the  
76 Comptroller upon written request signed by the chairman of the State Council of Higher Education for  
77 Virginia.

112 the Committee, no recommendation of the Committee shall be adopted without the approval of a  
113 majority of such members of the House of Delegates and a majority of such members of the Senate. For

117 Legislative members of the Committee shall receive such compensation as provided in § 30-19.12,
