

University of Michigan Library Research and Learning Organizational Chart

Effective September 1, 2026

Overview

The chart presents the organizational and reporting structure of the University of Michigan Library's Research and Learning Division. Laurie Alexander leads the division as Associate University Librarian for Research, Learning & Teaching. Seven major functional areas appear beneath the division leadership:

1. Arts & Humanities
2. Consultation and Discovery
3. Digital Scholarship and Creative Spaces
4. Learning Programs & Initiatives
5. Outreach and AV Services
6. Social Sciences and Clark Library
7. Taubman Health Sciences Library & STEM

The University of Michigan Library logo appears in the upper-left corner. The chart is labeled "Research and Learning, September 1, 2026."
