

Announcing an easier way to make your gift to the University of Michigan

Michigan Gift Link

What is Michigan Gift Link?

Michigan Gift Link is an efficient electronic payment alternative to checks and credit cards.

Is Michigan Gift Link reliable?

Yes. Michigan Gift Link uses the same safe, proven network that enables millions of people, including half of all Social Security recipients, to receive income, pay bills, or make gifts directly each month.

How does Michigan Gift Link work?

You initiate the process by completing the form below, attaching a voided check and returning both to the Office of Gift Administration. Your gift will be automatically transferred from your checking account to UM's account. Transfers occur on the 10th bank business day of each month until you notify us of any changes.

Will I have a record of my gifts?

Yes. Your monthly bank statement will reflect each transaction. In addition, you will receive receipts from the University for tax purposes. You should anticipate the first transfer approximately 30-45 days after we receive your authorization.

What happens if I change banks or wish to cancel?

If you change your checking account, a new enrollment form will be required. Please call the Gift Help Line at 888-518-7888 (toll free) or 734-647-6179 (local) if you wish to change your account or cancel your participation.
