While visiting any of these participating libraries, you are encouraged to access electronic resources, make use of special collections and archives, and enjoy the many study spaces.

RECIPROCAL BORROWING
Privileges & Responsibilities

Eligibility

University of Michigan and Washtenaw Community College students, faculty and staff are eligible for guest borrowing privileges at the other institution. To qualify, you must be a currently enrolled student or current faculty or staff member in good standing at your own library.

Registration

Faculty (including lecturers) continue to have reciprocal borrowing privileges under established guidelines; simply show your faculty ID to circulation desk staff when you are ready to check out.

Students and staff must first register at the circulation desk of their home institution. Present your university ID at the U-M Hatcher Graduate Library, the U-M Flint Thompson Library, or the WCC Bailey Library as appropriate. Then, bring a picture ID with you to pick up your guest borrower’s card at the other institution’s circulation desk.

Borrowing privileges and library cards for students and staff are valid for the current term, and can be renewed by visiting the circulation desk of your home institution.

Registration for guest borrowing privileges at the U-M Library is handled at Hatcher Graduate Library Circulation Services, 104 Hatcher North 913 S. University Ave., Ann Arbor, MI 48109

Responsibilities

Most items circulate for two or three weeks and may be renewed unless requested by another borrower.

Items must be returned to the institution from which they were borrowed.

Failure to follow guest borrowing policies and procedures may result in sanctions or termination of privileges from either or both institutions.

TRAVEL BETWEEN U-M AND WCC

AATA Bus Routes

Two city bus routes are available between the WCC campus and U-M Ann Arbor. See theride.org for detailed bus route information.
