Copyright and Your Lab Website: Hypotheticals

With a partner, decide how you would approach the hypothetical situations below. Be prepared to share your answers with the group.

Which of the following articles would you post on your lab website, which version would you post, and why?

a. An article by a collaborator that was published under a CC-BY-NC license
b. Your own article, published in 1993 and not available from the publisher or any licensed database
c. Your own article, published three years ago
d. An article by a colleague that she sent you before it was published
e. Your own article that you haven’t submitted to any publishers yet
